PECEL

Pecel is a food consisting of boiled vegetables, such as long beans, spinach, bean sprouts drizzled with peanut sauce and so on.

Pecel actually from Yogyakarta that what internet said, but what i know Pecel is from Madiun because if we found seller they must type "Pecel Khas Madiun" that the reason.

PHILOSOPHY PECEL

Symbolizes simplicity, diversity, and food that is simple but rich in benefits.

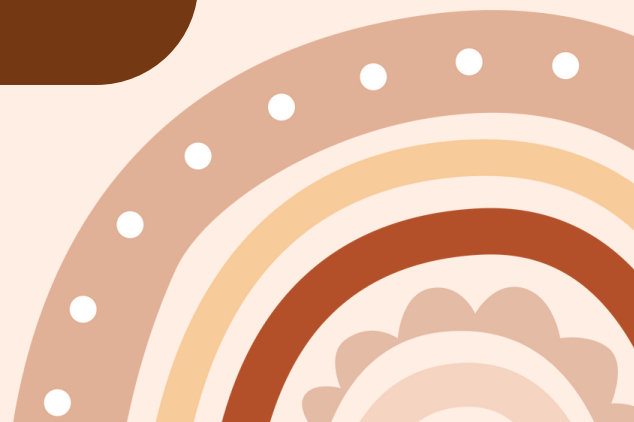

PECEL VS GADO-GADO

PEANUT SAUCE

Pecel usually uses peanut sauce made from peanuts, galangal, brown sugar, salt, chili and lime leaves.

Gado-gado is usually made from crushed fried peanuts, garlic, chili, pepper, lime, salt and brown sugar.
